

The Austin Energy Regional Science Festival is here once again. Please send me an email at Andres.delarosa@hayscisd.net to let me know if you will participate this year. This year's science Festival will be virtual. , if you plan to participate I will register you with the Austin Energy Regional Science Festival on the January 27 and those that qualify for the Regional Science Festival will have the fee paid by the school. You have until Jan 26 to work on this project.

1. Download Google Slide template and example

https://docs.google.com/presentation/d/1Ro0Mk0e2G9AOEhwwD_fglENpdb-DxDI_gFxFx1y8Jz0/edit#slide=id.g81d6ca759d_0_35

or Microsoft Power Point template and example.

<http://sciencefest.org/images/pdfs/ElemProjectTemplate.pptx>

2. Student will complete slide 1 and 2

3. Save slide 1 and 2 as a PDF of 5MB in size or less

4.

a. Slide 1 is the project (replaces project board)

b. Slide 2 replaces the student interview.

c. Slide 3 are the guidelines for the project (Delete slide 3 when done.)

d. Slide 4 is an example project. (Delete slide 4 when done)

5. Email the project to me, in PDF format, to

Andres.delarosa@hayscisd.net no later than January 24.

Projects will be judged at the Camino Real Science Festival on the 26th or 27th of January. The top three projects per grade level will be submitted to the Austin Energy Regional Science Festival. Camino Real will pay the fee for those that make it to the Austin Energy Regional Science Festival.

Remember it is all virtual this year, even the regional science Festival.
