

# INJURED ON THE JOB??

If you have an emergency, please call 9-1-1 or go to the nearest Emergency Room. Seton Hays is preferable. Your emergency contact will be notified.

**If you are injured at work, you must notify your supervisor and HR within 24 hours or as soon as medically able.**

If you have seen the campus nurse and she has recommended that you seek further evaluation and treatment or if you feel you need to seek treatment, please contact HR at 512-268-8975.

You will receive an “Authorization for Treatment” packet and you will be referred to a [Political Subdivision Worker’s Compensation Alliance](#) network provider. A list of the closest area providers is shown below. You may choose any one of them. Or, go to [www.pswca.org](http://www.pswca.org) to find a doctor in your area.
