

## **2020-2021 RETURNING LOA STUDENT REGISTRATION**

Based on our required application process, and to avoid confusion, we do not have Live Oak Academy HS as an option in the 2020-2021 Online Student Registration portal. When registering your *RETURNING LOA* student in the Online Student Registration portal, you will need to choose their “home” campus (campus they are designated to attend based off of their address, either LHS, JHS or HHS) under “Enrollment Request Campus”. Live Oak Academy will then pull returning student information to our campus.

All returning LOA students are required to complete online registration before school starts to expedite the enrollment process and make sure your student has a bus scheduled. Students who do not have registration complete will not be assigned a bus and it may delay scheduling etc.

If you have any questions about student registration, please contact Mrs. Jennings or send an email to [student.registration@hayscisd.net](mailto:student.registration@hayscisd.net).
