PARENT RIGHTS AND RESPONSIBILITIES

Education succeeds best when there is a strong partnership between home and school, a partnership that thrives on communication and interaction, and includes parents, teachers, administrators, and the Board of Trustees. Every parent is urged to:

- Encourage his or her child to put a high priority on Education and commit to making the most of the education opportunities the school provides.
- Review the information in the student handbook (including the Student Code of Conduct) with his or her child and sign and return the acknowledgment form and the Directory Information notice. A parent with questions is encouraged to contact Hays High School – Administration- 512-268-2911.
- Become familiar with all of the child's school activities and with the academic programs, including special programs, offered in the District. Discuss with the counselor or principal any questions, such as concerns about placement, assignment, or early graduation, and the options available to the child. Monitor the child's academic progress and contact teachers as needed.
- Attend scheduled conferences and request additional conferences as needed. To schedule a telephone or in-person conference with a teacher, counselor or principal, please call the school office at 268-2911 for an appointment. A teacher will usually arrange to return the call or meet with the parent during his or her conference period or at a mutually convenient time before or after school.
- Review the child's student records when needed. A parent may review: (1) attendance records, (2) test scores, (3) grades, (4) disciplinary records, (5) counseling records (6) psychological records, (7) applications for admission, (8) health and immunization information, (9) Other

medical records, (10) teacher and counselor evaluations, (11) reports of behavioral patterns, and (12) state assessment instruments that have been administered to his or her child.

- Participate in campus parent organizations. Parents have the opportunity to support and be involved in various school activities, either as leaders or in supporting roles. Become a school volunteer. For further information, contact the school office.

ACADEMIC / GRADING INFORMATION

The district uses a weighted grading system to arrive at the student's grade point average (GPA) to be used in determining valedictorian, salutatorian, and class ranking for high school students. Student GPA's are calculated on a weighted 4.0 scale. During the school year, class ranking will be made available to students enrolled in each high school during the junior and senior year at the beginning of the year and at mid-year. Sophomores will be ranked for the first time at mid-year of the sophomore year. Freshman class students are not ranked.

CLASS RANK AND CREDIT INFORMATION

Hays CISD is currently reviewing all GPA and Class Rank policies and procedures. It is possible that changes to GPA and Class Rank policies and procedures will be implemented beginning the 2019-2020 school year.

Hays CISD uses a weighted grading system to arrive at the student's grade point average (GPA) to be used in determining valedictorian, salutatorian, and class ranking for high school students. Student GPA's are calculated on a weighted 4.0 scale. During the school year, class ranking will be made available to students enrolled in each high school during the junior and senior year at the beginning of the year and at mid-year. Sophomores will be ranked for the first time at mid-year of the sophomore year. Freshman class students are not ranked. 2019-2020 High School Course Guides outlining the class rank and GPA calculation processes may be accessed on the [Hays CISD Website](#) (click here). Students shall have the following courses used in determining valedictorian, salutatorian, and class rank.

Tier I – Tier I courses are designed to prepare students to take Advanced Placement exams and follow the guidelines prescribed by the College Board. Students can earn college credit depending on the score of the AP exam and the receiving university. Tier I courses carry a 6.0 weight.

Tier II- Tier II courses include Pre-Advanced Placement, TEA identified and district identified advanced courses. Beginning with students entering grade 11 in the 2014-2015 school year, credits earned

through dual credit programs with colleges and universities with whom the district has an articulation agreements shall be used in calculating class rank as Tier II courses. The curriculum design and instruction present material at an accelerated rate and at a higher level than in grade level classes. Tier II courses carry a 5.0 weight.

Tier III- Tier III courses include grade level TEKS courses. Tier III also includes courses completed with limited accommodations and modifications. The curriculum design and instruction are for all students regardless of academic ability. Tier III courses carry a 4.0 weight.

Tier IV-Tier IV courses are developed locally for local credit, including modified TEKS courses, for all students regardless of academic ability. Tier IV courses carry a 3.0 weight.

Courses taken for high school credit while in middle school will count in the student's high school cumulative grade point average (GPA) and recorded on the high school Academic Achievement Record (transcript).

All semester grades, except those awarded for band, choir, drill team, cheerleading, athletics, and student aide, shall be used to compute class ranking.

Credits earned through dual credit programs with colleges and universities with whom the district has an articulation agreements shall be used to calculate class rank (Tier II).

The scale below indicates the grade point value of the dual credit grades earned. No grade points are earned for grades of D, W, or F in dual credit courses. The D, W, or F is also not recorded on the student's transcript nor counted as an attempt in calculation of GPA and class rank.

Class rank is based on the student's GPA using grades for each semester, except for the final senior rank. Class rank for seniors will be determined at a later date.

Junior class rank will be made available no later than the last day of the 6th week of school. The final junior rank is distributed no later than the 3rd week in June. This rank is used for the purpose of college admissions during the fall semester of the senior year. Rank for new to district seniors will be added through a comparative rank based on transfer grades, coursework and credits from the student's Academic Achievement Record.

Mid-year, class rank will be made available to seniors by the end of the 3rd week of the Spring semester. Junior and sophomore class rank will be made available to students no later than the 6th week of the Spring semester.

Final Junior Class Rank – At the end of each year no later than the 3rd week of June, a final junior class rank will be calculated and applied to transcripts for access through the Texas Records Exchange (TReX) prior to the August 1 application window of state universities.

Grade Point Average (GPA) is calculated for all students (9-12) at the end of every semester. The accompanying scale indicates the grade point value of the grades earned. No grade points are earned for semester grades of 69 or below.

Student Grading

Grades shall reflect the student's mastery of the Texas Essential Knowledge and Skills (TEKS) and Student Expectations and local curriculum requirements. The district seeks to provide each student with a challenging and appropriate educational program. We can best achieve this goal by recognizing that individual students, through their varied learning styles, respond to different instructional approaches and require varied periods of time in which to master concepts and essential knowledge and skills. This philosophy is applied to an integrated program of developmental skills, PreK-12, as well as to a rigorous post-graduation preparatory curriculum. In this way, every student will be provided an optimal opportunity to academic development and success.

Grading Components

When determining student progress grades, assignment grades, assessment grades, or report card grades, students shall be measured against objective standards, not in comparison with other students.

Grading Policy

Updated grading policy for the 2019-2020 School Year. E5 Grade Policy- [2019-2020 Grading Policy](#) (Click Here)

Objective Standards

1. The standard for each student will be the grade level Texas Essential Knowledge and Skills and local requirements for that grade level.
2. Grades will reflect the degree of mastery of the district curriculum.

Grading Standard/Grading Periods

Students will be assigned a minimum of 1 daily grade per week and 3 major grades per grading period. Hays High School is on a 9 week grading period. There will be a total of four nine week grading periods, with progress reports at three week intervals.

- Link to Hays CISD Academic Calendar for 2019 - 2020 [Hays CISD Calendar for 2019-2020](#)

Electronic Gradebook

Grades for the week must be posted in the electronic gradebook by the following Tuesday at midnight. If parents find this to not be consistent, please contact our main office at (512) 268-2911 and we will remedy the situation.

Grade Averaging for Course Credit

Semester grades earned for full year courses will be averaged together to determine the awarding of credit. For credit to be awarded one semester grade must be equal to or greater than 70 and the average of the final grade for Semester 1 and Semester 2 must be equal to or greater than 70.

Report Cards and Progress Reports:

Report Cards are issued each nine weeks. Progress reports are issued at three-week intervals. Students with a failing progress report grade will also have their report mailed home. Students who have a failing grade on any of these two reports are encouraged to attend tutorial classes.

Dropped Classes and GPA:

Students who drop a class after the first four weeks of the first six weeks period of the fall semester will remain UIL ineligible for the first three weeks of the next six weeks period as if they had received a failing grade. For purposes of this definition, dropping a class does not mean changing levels within a given subject, but refers to changing to an entirely different subject or taking no course at all. Students who drop a class after four complete weeks into the semester will lose credit for the course they add. No grade points will be attached to the first course, so it will affect a student's grade point average in the same way an "F" affects it. This course will count as an attempt and "I" (incomplete) for the semester because time requirements cannot be met.

Students who drop a course to move to the EDGE Lab will fall under the first category listed above. They will become UIL ineligible the first three weeks of the next six weeks.

Report Cards and Progress Reports:

Report Cards are issued each nine weeks. Progress reports are issued at three-week intervals. Students with a failing progress report grade will also have their report mailed home. Students who have a failing grade on any of these two reports are encouraged to attend tutorial classes.

Students with Special Needs

No qualified student with special needs shall be denied the benefits of an education or be subject to discrimination. Students identified as Special Education or Section 504 are provided an individually designed education plan.

Instructional Modifications and Accommodations

1. Modifications/accommodations in instruction and/or materials, as documented on individual modification sheets (for 504 students) or Individual Education Plans (IEP), are to be implemented to the degree specified. The degree of modification or the appropriateness of the student's instructional challenge will be reviewed annually.
2. If a student must work significantly below level and, as a result, the level/type of classroom work must be significantly altered, he/she will be graded according to his/her IEP.
3. Implementation of IEP modifications/504 accommodations is not optional; it is required by both district policy and federal law.

Academic Options Available

Summer School:

Summer school will be offered by Hays CISD. More information will be available online and in the counselor's office late in the spring semester.

Correspondence Courses:

Information about correspondence courses to be taken through Texas Tech University or the University of Texas can be obtained from the student's counselor.

Credit by Exam:

Students may earn credit in some courses by successfully passing an exam. Information on this can be received from the student's counselor. Students, who have received instruction in a course but failed to earn credit, will pay the fee of a credit by exam test. These exams may be given at other times and credit may be subject to different scores. Credit earned through these exams will be entered, but the score will not replace the score previously earned and recorded on the transcript.

Examinations for Accelerated Credit:

Board Policy (EEJB Legal and Local) Establishes guidelines for examinations for acceleration. These tests are for students who wish to receive credit for courses that they have not taken. A district may not charge for such examinations for acceleration. A district may develop their own or purchase exams from Texas Tech or the University of Texas.

In grades 6-12, a student must be given credit for an academic subject for which he or she has had no prior instruction if the student scores 90% on a criterion-referenced test for the applicable course. The student may not be currently enrolled in a course for which he/she would like to test for accelerated credit.

If the student is awarded credit in a subject on the basis of the score, the school district must enter the examination score on the student's transcript. To register, students must see their counselor for testing dates.

Placement Exams:

Students may demonstrate proficiency in keyboarding, Business computer information processing, and Spanish courses through testing to meet prerequisite requirements for placement in the next level of a course sequence. Information on this can be received from the student's counselor. Credit earned through these exams will be entered and recorded on the transcript.

Virtual School Courses:

Virtual School [online courses] will be offered by Hays CISD. More information will be available in the counselor's office or on the school's website.

Dual Credit Courses:

Dual Credit courses are courses that students take which earn both college credit and satisfy high school graduation requirements. Before enrolling in dual-credit courses, students must receive permission from a high school counselor and the Dean of Instruction or Principal. Additionally, students need to be aware of the following conditions:

- Students must attend Hays High School for at least 4 hours daily (5 class periods).
- Students must take a course that has received prior approval by the high school.
- If students take a college course to receive dual credit and if that course is required for graduation, they must pass the course with at least a C to graduate. Hays High School does not recognize a grade of D. After the first three weeks of the semester, students will be unable to drop the college course and switch to the appropriate high school course.

- The high school strongly recommends that seniors do not register for a course that they need to graduate. The high school has no control over grades issued by college instructors.
- It is the student's responsibility to gather all information about the college course, i.e. application information, registration approval, and information regarding transfer of credits from one college to another.
- On days/times that ACC dual credit classes do not meet, students are required to report to the Hays High School Library, unless that class is last period and he/she has their own vehicle. In all other cases, the Hays High School Students enrolled in ACC classes must remain on campus as per policy.

Early Graduation:

Any student attempting to graduate in less than four years should contact a counselor. Students must have parental permission to become an early graduate to receive THECB funding. Students who graduate early (three years or three and a half years, etc.) are entitled to all the rights and privileges associated with graduation for the year they graduate, not the year they would have graduated.

Transfer Policy: From Live Oak Academy to Lehman/Hays High Schools

The following Transfer Policy was developed to prevent student loss of credit, when moving from Live Oak Academy back to Lehman or Hays High Schools. Before moving back to one of the home schools, students should put maximum effort into completing courses they are enrolled in at Live Oak Academy.

- Students will receive failing grades for courses attempted, but not completed prior to the transfer.
- Students who enter at the beginning of the semester must decide by the end of the 3rd week of that semester whether or not the Live Oak Academy Program will meet their needs. If they decide that Live Oak Academy will not meet their needs, they must return to their home school no later than the Monday following the Friday of the third week of the semester.
- The next point at which students will be able to return to their home campus will be at the end of the semester in which they enrolled at LOA with the understanding that incomplete credits will result in failing grades.
- Students who enter at other times during the year may not return to the home school until the beginning of the new semester.
- Exceptions to this policy will be made on a case by case basis and depend upon individual student circumstances, but must be agreed upon by the LOA principal and the principal of the home campus.

Commencement:

Walking the stage at Commencement is a privilege. Students will be required to sign a Commencement Participation Agreement that outlines the expectations for participating in the ceremony. Commencement exercises will be held once a year at the end of the spring semester. Students must be free of all outstanding obligations (textbooks, fees, credit recovery hours, etc.) in order to participate. Once a student graduates, he/she is no longer a student at this campus and is no longer entitled to any privileges of being a student here, but is entitled to those privileges of a graduate, such as transcript requests, etc. To receive a high school diploma from the district, a student must successfully complete the required number of credits, meet state attendance requirements, and pass a statewide STAAR tests. For information related to SB 149 see your counselor.

Students who are removed from school for disciplinary reasons (ISS, DAEP, or other) at the time of graduation may be denied the opportunity to participate in the Hays High School Commencement Ceremony.

UNIVERSITY INTERSCHOLASTIC LEAGUE – UIL

UIL Website [University Interscholastic League Website](#)

Eligibility:

- UIL Side-by-Side Eligibility requirements [UIL Side-by-Side 2019-2020](#)

Questions often arise during the year regarding eligibility. The coach, athletic director, band director, sponsor, or administrator can usually answer them. Here are a few things to remember:

- Students must have the required number of credits to be eligible for the first six weeks (unless specified otherwise by an ARD).
- Students who fail a class will be ineligible for three weeks following the seventh day after which grades ended.
- Students must be passing ALL classes at the three-week point in order to regain eligibility.
- The Winter Break is not considered weeks for school purposes and UIL eligibility. Review this carefully with students in conjunction with their activity or sport.
- The three-week period only counts actual school weeks, NOT calendar weeks.
- For more detailed information visit the University Interscholastic League (UIL) webpage at <http://www.uil-texas.org/policy/tea-uil-side-by-side>

Dropping a Class and Eligibility:

Students who drop a class after the first four weeks of the first six weeks period of the fall semester will remain ineligible for the first three weeks of the next six week period as if they had received a failing

grade unless an exception is granted by the principal, as per the UIL standard. For purposes of this definition, dropping a class does not mean changing levels within a given subject, but refers to changing to an entirely different subject or taking no course at all.

Waivers:

Students who fail Pre-AP or Advanced Placement courses with a 60 or above may apply for a waiver from the principal. Only one waiver per student, per semester, per course will be approved. See the principal for such a waiver. Other conditions may exist.

Other UIL Concerns:

Students may not be enrolled in PE and in athletics concurrently. This includes weights and conditioning. Students are limited to 10 school activity days per year for any class including athletics and band classes. Five more additional days may be received for post district competition. A school activity day is when a student misses school for an extracurricular activity. This is not to be confused with a co-curricular activity such as going to a museum with the science class. Coaches are discouraged from participating in tournaments held during the school day.

- Students are limited to eight hours practice and activity per week (Monday through Thursday nights).
- Students may only compete one time during the week (Monday through Thursday afternoon) unless playing a tournament.
- Grades may not be changed for eligibility purposes unless there was a teacher error in averaging the grade.
- Students receiving an "I" are ineligible unless the grades are made up within the time allowed for by policy.
- Students are allowed a time equal to the length of their absence to make up work for UIL purposes. A student who has been out for a week and has an Incomplete on his/her report card should make it up by the time the card actually comes out so the grade can be changed on the report card.

ATTENDANCE REGULATIONS

Attendance Policies:

Regular school attendance is essential for the student to make the most of his or her education – to benefit from teacher-lead activities, to build each day's learning on that of the previous day, and to grow as an individual.

- Link to Hays High School Attendance Office Webpage [Hays HS Attendance webpage 2019-2020](#)

State law requirements [FEA]

- Link to Hays CISD Policy FEA (LOCAL) and LEGAL [Hays CISD Policy FEA attendance](#)
- A student must be in attendance each day of each semester.
- Students must attend school and District required tutorial sessions unless the student is otherwise legally exempted or excused.
- A student will lose credit if excessive absences result in less than 90% attendance for the semester. This includes both excused and unexcused absences.
- Students who do not meet the minimum attendance requirement established by Law will be denied credit for the course regardless of the final grade.
- Students must make up all time and work missed in order to receive a grade for the course.

Attendance and Semester Exam Exemptions

In 2019-2020, Hays High School will continue to offer students semester exam exemptions to reward those who demonstrate excellent attendance and earn excellent grades. Click this link to find criteria and guidelines for exemptions. [Hays High School Exemption Webpage](#)

Loss / Reinstatement of Credit (NGs)

Students will only be given one semester to make up time (credit recovery hours). If they received a NG in the Fall semester they will have until the end of the current school year year to make up the time. If they received a NG in the Spring semester they will have until December 1st of the following academic year to complete the credit recovery hours.

Credit Recovery hours must be made up at the school. Saturday School and tutorials are available for students who need to complete hours to regain course credit. Students must receive prior approval before attending Saturday School. The appropriate form is available in the Assistant Principal's office. Student must see his / her assistant principal to make up credit recovery hours.

Credit Reinstatement Appeal Forms:

Students with extenuating circumstances must submit an application to their AP for the Attendance Committee if they would like their attendance file to be reviewed. Applications must be submitted to an AP no later than 5 school days after the end of each nine-week period. Each application will apply to the previous nine weeks ONLY. No unexcused absences will be waived. A parent or guardian may be asked to attend the meeting and be ready to present any pertinent information that will help the committee reach a more informed decision.

Tardy Policy:

- Hays High School Bell Schedule for 2019-2020 [HHS Bell Schedule](#) 2019-2020

Hays High School has scheduled 6 minutes between each class period as passing periods. Students are expected to report to class before the tardy bell rings. Students who are not in class when the tardy bell rings are marked absent by the teacher and must report to the appropriate office to receive a tardy pass. An absence will be converted to a tardy by the end of the day for every student who receives a pass.

Hays High School utilizes a software program that automatically tracks tardies and assigns consequences based upon the number of infractions. The system is reset at the beginning of each grading period to give students a fresh start.

Students will be offered one make-up opportunity if a tardy consequence is missed. Assigned consequences are graduated: Lunch Detention, After School Detention, Saturday School, In-school Suspension. Consequences will be assigned according to the following guidelines:

- 1st Tardy: Warning
- 2nd Tardy: Warning
- 3rd Tardy: Lunch Detention
- 4th Tardy: 2 Lunch Detentions
- 5th Tardy: After School Detention
- 6th Tardy: Parent Conference and put on an Attendance Contract
- 7th Tardy: Parent Shadows or Saturday School
- 8th Tardy: In School Suspension

Residence:

Students attending Hays High School must reside with their parents or legal guardian within the boundaries of Hays High School attendance zone and provide proof of legal guardianship at registration.

Transfer Policy:

The Hays CISD transfer policy must have School Board approval. Any questions regarding student transfers will be directed to the Hays CISD Administrative offices.

- Hays CISD Policy FDA (LOCAL) and Legal [Policy FDA \(LOCAL\)](#)

Voluntary Attendance (18 year olds):

A student who voluntarily attends or enrolls after his or her eighteenth birthday is required to attend each school day. If a student 18 or older has more than five unexcused absences in a semester, the

District may file truancy charges and/or revoke the student's enrollment. The student's presence on school property is then unauthorized and may be considered trespassing.

Check Out Procedures

Parents are required to come into the office and check out students in person. Parents must present a valid state-issued identification card at the time of checkout. Parents may, if desired, call the attendance office at 512-268-2911 ext. 46244 to notify the school that the student will be checked out; however, students will not be called out of class until the parent has arrived at the school.

Testing Days (EOC, STAAR, Final Exams): Students may not be checked out during a test administration without approval from a campus administrator. Approval will be granted only in extreme circumstances. It is important to restrict check-outs during this time as it can be very disruptive to the testing environment.

Students who Drive: Should it be necessary to check out students who are able to drive themselves to/from school (who have a valid HHS Parking Permit) may send a note with their student the morning that the student is to be released. This note should include the student's name, ID number, reason for check-out, as well as the time that the student is to be released. The note must be turned in to the attendance office before school starts. Please be sure to indicate which phone number the attendance staff is to call in order to verify the note. It is important, though, that the phone number provided on the note match a phone number that is listed on the student's release form.

The parent must check the student out in person if a note has not been provided prior to the start of the school day or if the attendance staff is unable to verify the validity of the note presented.

Students who do not follow the proper check-out procedures may face disciplinary consequences.

Return to School Procedures

The student must return with a written note from parent or doctor (if seen) that includes:

- Reason for absence
- Date of the absence
- Parent's daytime telephone number
- Signature of person giving authorization for the absence

Students returning to school after the start of the school day will report directly to the attendance office. If the student is more than 20 minutes late then they will be considered absent from class.

A student is considered present due to a documented appointment with a healthcare professional if that student returns to classes on the same day of the appointment. A note from the health care

professional must support the appointment. If a student is tardy due to a doctor's appointment the student will check in at the attendance office before going to class. The student will not be considered tardy.

College Day Absences

Students may receive excused absences to visit college campuses. Students are eligible to receive two (2) days their junior year and two (2) days their senior year. All college campus visits must be pre-approved by the counselor and campus principal. Forms are available in the Guidance office. [Hays CISD policy FEA \(LOCAL\)](#)

Verification of Enrollment (VOE form):

To obtain a Verification of Enrollment form, which is required by the Texas Education Agency in order for a student to receive or renew a driver's license, a student must be currently enrolled in a public or private school and must be in attendance for at least 90% of the days in the semester preceding the date of application. Students **must meet the attendance requirements for each class** in which they are enrolled. If your student has not met this requirement we will not be able to provide the form. VOE forms will not be given to students who have outstanding debt obligations. Students must have no outstanding obligations or debts in order to be given a VOE form.

You must request VOE forms 24 hours in advance. To expedite service, please use the form available on the Hays High School website under the "Attendance Office" tab

DISCIPLINE, CONSEQUENCES, VIOLATIONS OF THE STUDENT CODE OF CONDUCT and STUDENT SEARCHES

The [Hays CISD student code of conduct](#) (click here) applies to all school-sponsored and school related activities, on or off campus. Students who violate these rules will be subject to disciplinary action and, when appropriate, will be referred to legal authorities for criminal prosecution for violation of the law. Students will receive a copy of the district's Code of Conduct

Students attending Jack C. Hays High School are expected to: Dress Code

- Attend classes regularly and on time.
- Bring materials and completed assignments to class.
- Be in compliance with the Hays High School Dress Code
- Exhibit respect toward others and staff.
- Conduct themselves in a responsible manner.
- Pay required fees and fines.

- Adhere to the rules and regulations in the Student Code of Conduct.
- Seek changes and review of school rules and policies in a responsible manner through our site based decision-making process.
- Cooperate with staff in the investigation of any disciplinary matter in which a student may have knowledge relating to a serious infraction.
- Honor all reasonable requests from an adult. While the rules and regulations at Hays High School are based upon mutual respect between adults and students in our school, the adults are in charge. Students are expected to comply with reasonable requests from bus driver, secretaries, cafeteria workers, custodians, teachers, volunteers, substitutes and administrators.

Teachers will follow a (5 Step Redirection) process for maintaining student discipline within the classroom:

1. Verbal Redirection
2. Student/Teacher Conference + Phone Call Home
3. Buddy System Reflection + Phone Call Home
4. Teacher Detention + Phone Call Home
5. Administrative Conference + Phone Call Home

Discipline Consequences

Lunch Detention:

Lunch detention is held on Monday through Friday. Lunch Detention will be held in the C Building Media Room. It is the student's responsibility to attend all assigned Lunch Detentions. Students are expected to report to Lunch Detention on time. Students who are late will not be allowed in and will receive a discipline referral and face further disciplinary consequences.

Mega Lunch Respect:

Alternative Lunch is held Monday through Friday. Alternative Lunch MAY be assigned for students in repeated violation of the HCISD Student Code of Conduct while on school grounds, at HHS extra-curricular and UIL events. Students assigned to Alternative Lunch are responsible to attend daily until their assignment is fulfilled according to Alternative Lunch Procedures. Students are expected to report to Alternative Lunch on time. During this time, students will have the opportunity to work on improving their grades in an ISS environment. Students in Alternative Lunch will not be allowed to socialize or use cell phones. A student in noncompliance will meet with their assistant principal for a behavioral review. Consequences will be determined on a case by case basis, including, but not limited

to, more time in Action/Alternative Lunch or ISS. In the event a student does not bring their lunch, a sack lunch will be provided by HHS Cafeteria Staff.

After School Detention:

After School detention is held on Monday through Thursday. There is bus transportation available to those who need it. Arrangements must be made by the student with the Assistant Principal's secretary for bus transportation. It is the student's responsibility to make such arrangement. Students are expected to report to After School Detention on time. Students who are late will not be allowed in and will receive a discipline referral and face further disciplinary consequences. Since we have tutorials, detention and sporting events every day after school, the front office is unable to page any students over the PA system.

Saturday (School) Detention:

Saturday Detention will be held on most Saturdays of the school year from 8:00 am – 12:00 pm. Students will be expected to successfully serve the full time in order to receive credit for attendance. Failure to attend an assigned Saturday Detention or later arrival to Saturday Detention may result in an elevated consequence. Students must enter Saturday Detentions from the

Administrative Detail:

Students will be assigned to various details, which include, but are not limited to picking up trash on campus and cleaning cafeteria tables.

Overnight Time-Out

Failure to comply with the Bus Rules and regulations can result in a forfeiture of the privileges. It is the responsibility of the parent or guardian to provide supervision before loading and after unloading his or her child at the bus stop. The Bus Driver will not discharge a student from the bus except at their pre-designated stop or school unless prior written authorization is received by driver from the parent and is signed by the principal. No exception will be made without prior written instruction from the parent/guardian, signed by the student's Principal and presented to the Bus Driver.

Students who wish to ride any bus other than the one to which they are assigned must provide a written note from the parent indicating which bus the student will ride home. This note must include a valid phone number and be turned in to the Assistant Principal's office before school on the day the student wishes to ride the alternate bus. School personnel must be able to verify the authenticity of the note before the student will be granted permission to ride the alternate bus.
