Parent Authorization

I understand that all medication(s) must be in the original container and must be provided by the parent(s) or guardian(s). All medications must be kept in the nurse's office unless the student is cleared by both the physician and school nurse to self-carry. All narcotics/schedule medication must be kept in the nurse's office at all times. All medication will be administered according to the Medication Policy FFAC. First doses of medications shall not be given at school. No more than a 30 day supply of medications may be kept on campus.

I authorize the physician named below to release information regarding medication(s) my child will take during school hours, to Hays CISD Student Health Services. In addition, with my physician's permission, I agree my child may self-medicate (to include inhalers, epi-pens, diabetes care) at school. I give permission for photographs to be taken of my child to be used on the medication bottle and log.

I request that the designated personnel of Hays CISD administer medication to my child, named above, according to written physician's instructions and for the school nurse to exchange information with the physician regarding medication and health related issues. I understand it is my parental responsibility to furnish an adequate supply of this medication in the original and properly labeled container. I will notify the school immediately if the health status of my child changes, we change physicians, or the medication is changed or cancelled. I understand that school district personnel will protect my child by not administering the medication if this form is not complete or the prescribed medication is not provided.
