

- Symptoms**
- ❖ Fever - 100° degrees Fahrenheit or higher when taken orally
 - ❖ Loss of taste or smell
 - ❖ Cough
 - ❖ Difficulty breathing, shortness of breath
 - ❖ Chills, shaking or exaggerated shivering
 - ❖ Significant muscle aches
 - ❖ Headache
 - ❖ Fatigue
 - ❖ Nasal congestion, runny nose
 - ❖ Sore throat
 - ❖ Nausea
 - ❖ Diarrhea
 - ❖ Vomiting

Campus Covid Response Team (CCRT)

The campus staff is responsible for addressing any potential COVID investigations of exposure. Each campus team is led by the nursing team and trained members designated by the principal. The CCRT coordinates their investigation with Human Resources.

Campus communication originates with the CCRT. The team reports to the District Covid Response Team (DCRT).

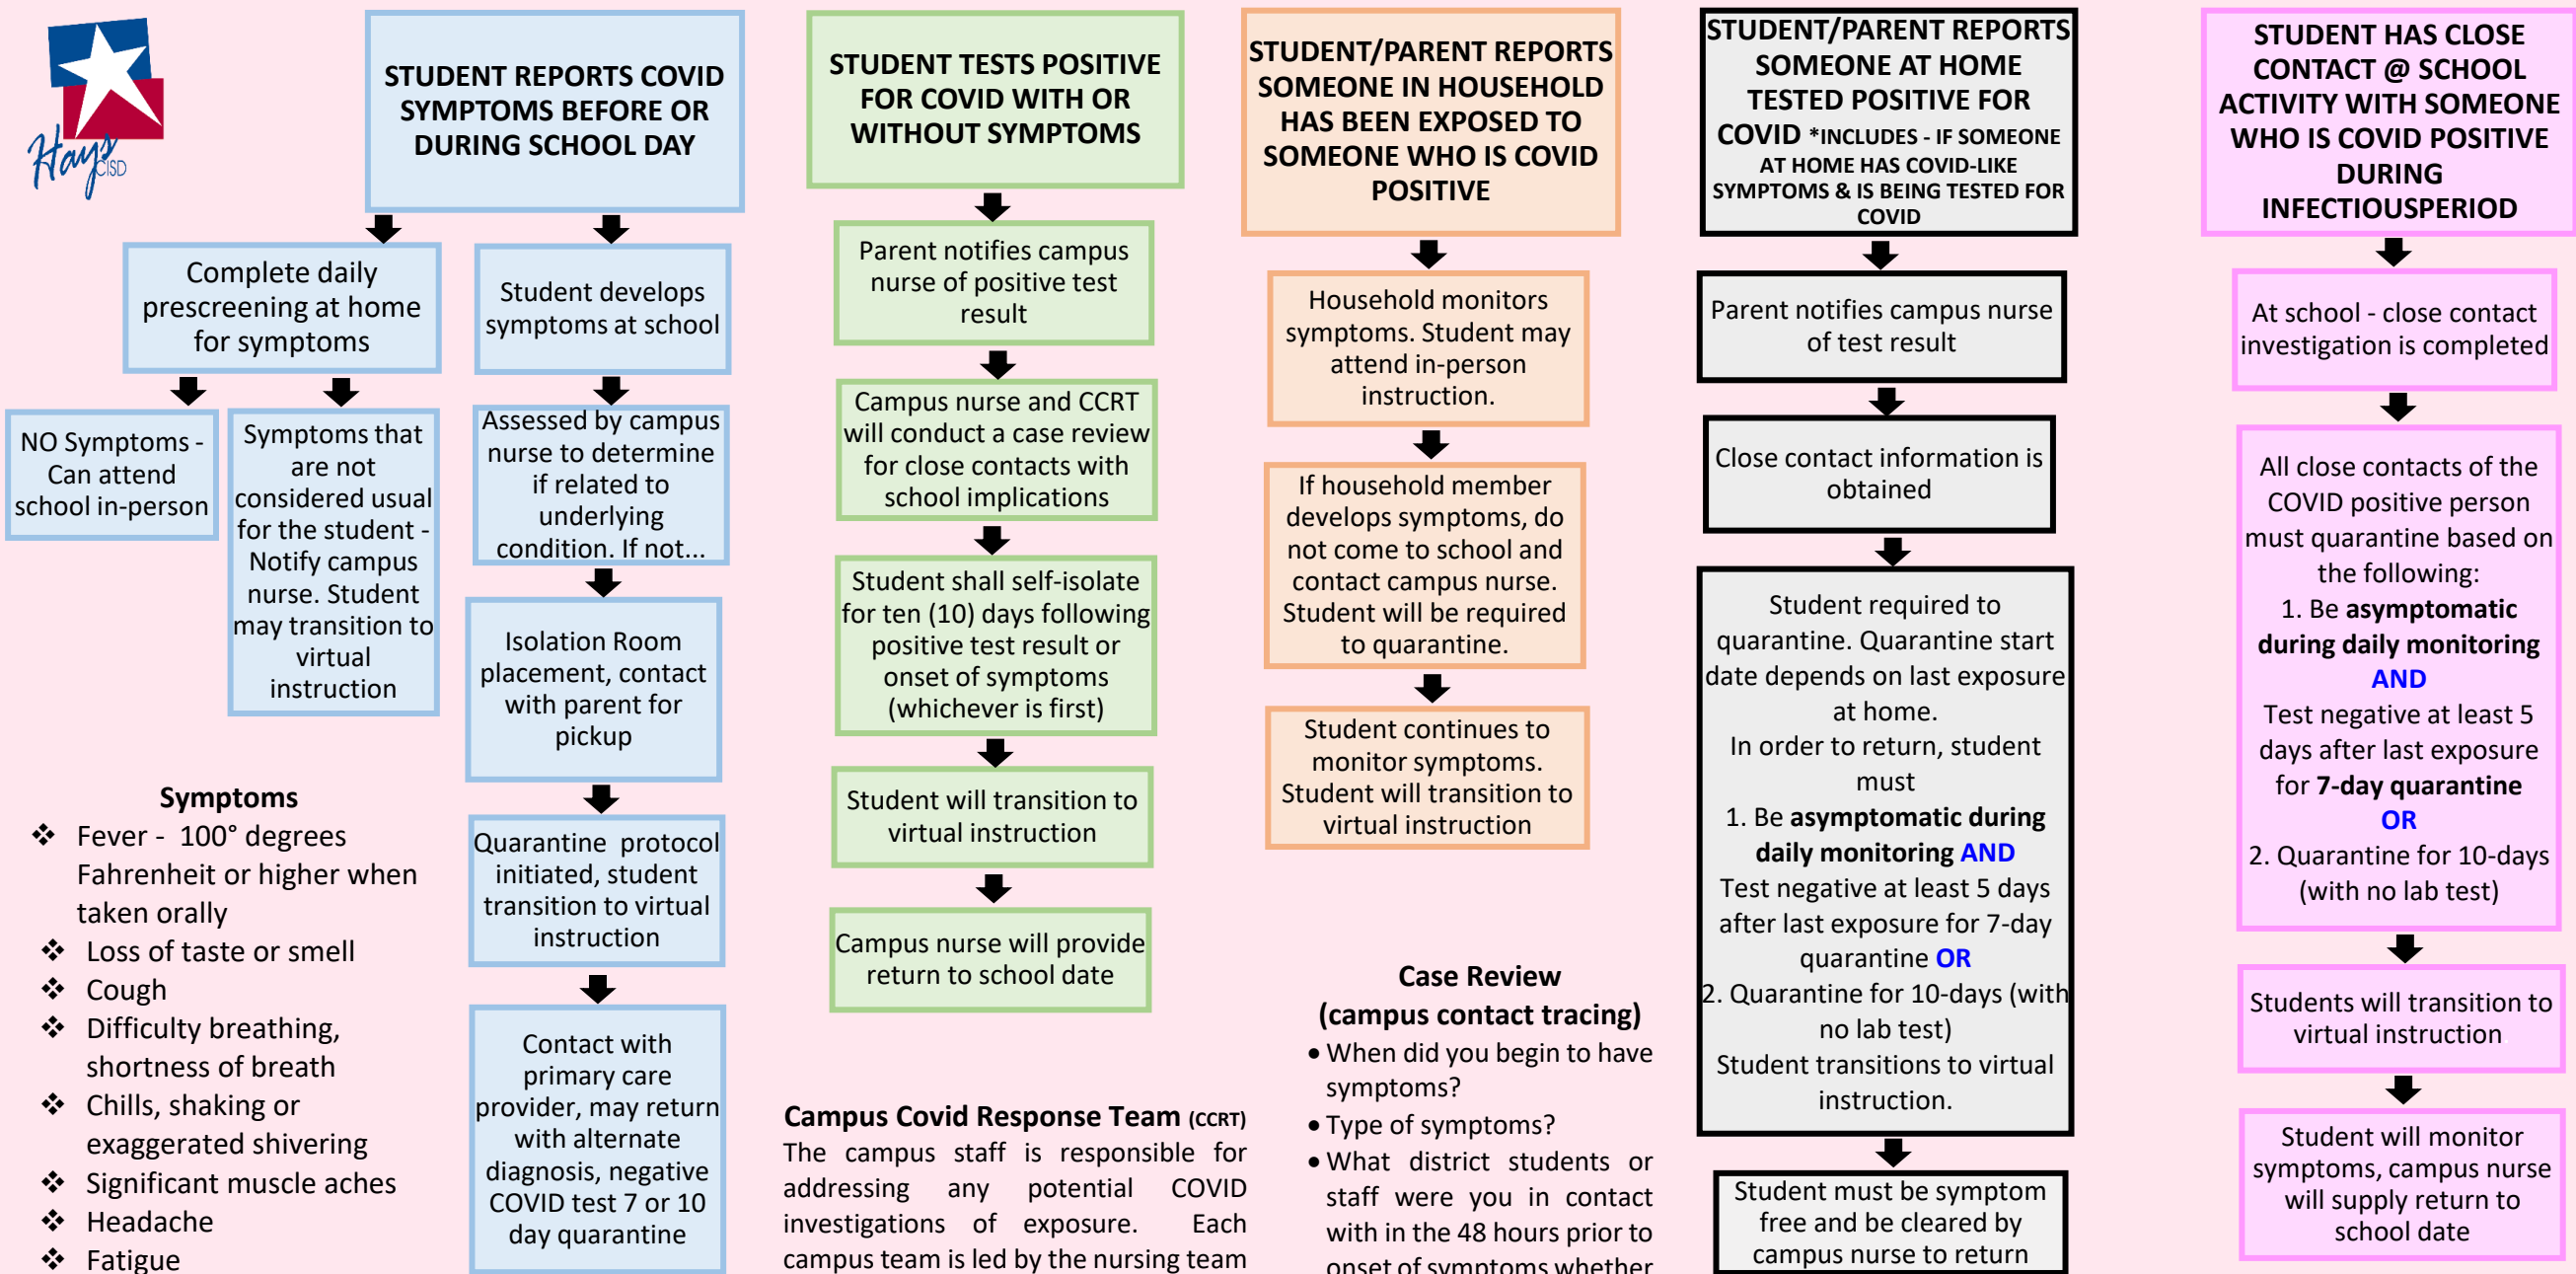

- Employee Expectations**
- Prescreen DAILY
 - Experiencing symptoms – DON'T work
 - Report to supervisor and HR for guidance
 - Masks
 - Spatial Distancing
 - Abide by quarantine guidelines
 - Confidentiality of others
 - Off-campus and personal activities may affect campus response

Close Contact

Direct exposure to infectious secretions (e.g., being coughed on while not wearing a facial covering) **or**

Being within six feet of the individual for a cumulative duration (meaning the total amount of time in a day that individuals are within 6 feet) of 15 minutes, within 48 hours before the individual's onset of symptoms to the time of isolation.

Close contact is regardless of mask usage.

Case Review (campus contact tracing)

- When did you begin to have symptoms?
- Type of symptoms?
- What district students or staff were you in contact with in the 48 hours prior to onset of symptoms whether on or off campus?
- PPE worn?
- District activity?
- Transportation?
- COVID test?
- Date? Results?
