

HIGH SCHOOL #3 OPENING TIMELINE

Timeline is a general guide and is subject to change. Published July 2017.

2017

- **Bond Approved:** In May 2017, voters [approved a bond](#) to construct the high school.
- **Construction Begins:** Construction at the high school location on FM 967 in Buda began in June 2017. The location was selected after an extensive [community involvement effort](#) led by the Board of Trustees.
- **Naming Process:** The high school will be named according to the rules and criteria in the district's [school naming policy](#). This process will involve a committee of citizens appointed by School Board members and will include public input and suggestions. It is expected to occur during the fall semester of 2017.

2018

- **Selecting Mascot & Colors:** This process will likely occur in early 2018. Check the district's website for more information about the process. It will likely involve input from students, including those most likely to attend the new campus.
- **Attendance Zone Selection:** The district anticipates selecting the attendance zone for high school #3 in the fall of 2018. This process will involve a committee of citizens appointed by School Board members and will include public input and suggestions. The attendance zone selection process is explained in detail in [school district policy](#).

2019

- **Transition Plan Finalized:** Prior to the opening of the campus, the School Board will need to determine the best way to open the school in terms of student population. In other words, the Board will need to decide which grade levels will be at the campus the first year and whether students zoned for the campus have a choice to remain at their current schools if they do not wish to transition to the new high school.
- **School Opens:** the campus is currently scheduled to open on the first day of class in August 2019. Prior to the school opening, and as soon as the building is ready to receive visitors, the district will schedule a ribbon cutting ceremony that includes tours for people who want to see the building.
