## 2017

- **Bond Approved:** In May 2017, voters [approved a bond](#) to construct elementary school #15 (the new Buda Elementary School).
- **Construction Begins:** Construction at the new Buda Elementary School on Old San Antonio Road in Buda is scheduled to begin in October 2017.
- **Attendance Zone Selection:** The district will review elementary school attendance zones in the fall of 2017, primarily to create an attendance zone for Elementary School #14. The district does not anticipate any changes to the current Buda Elementary School zone when the new campus opens. However, all Hays CISD attendance zones are subject to review and change at any time by the Board of Trustees. The zone selection process involves a committee of citizens appointed by School Board members and includes public input and suggestions. The attendance zone selection process is explained in detail in [school district policy](#).

## 2018

- **Opening Plans Finalized:** Prior to the opening of the campus, the School Board and administration will need to determine the best way to open the school.

## 2019

- **School Ready to Open:** the campus is currently scheduled to open in August 2019. Prior to the school opening, and as soon as the building is ready to receive visitors, the district will schedule a ribbon cutting ceremony that includes tours for people who want to see the building.
