U h l a n d   E l e m e n t a r y   S c h o o l

*Your presence is requested, and you are cordially invited to attend a special ceremony marking the opening of Uhland Elementary School at 10:00 o'clock in the morning on Saturday, August 11, 2018.*

Uhland Elementary School pays tribute to the original Uhland School that served area students the first half of the 20th century and to the City of Uhland itself. In homage to the original Uhland School, which was named for settlers Karl and Margaretta Krauf Wiegand, Uhland Elementary will continue the proud tradition of the kangaroos! Its school colors have been selected as “kanga-khaki” and “roo-blue.”
