

MOE & GENE

**JOHNSON**

HIGH SCHOOL

Moe and Gene Johnson bestowed upon Hays County a legacy of unity, education, courage, humility, and achievement. We are the beneficiaries of their lives' work.

*“This is much more than a story of ‘bricks and mortar’—it is a story of children, students, and people who worked together. It is a story of the great things that can be accomplished when people are willing to give of themselves and work unselfishly to achieve a vision. We have and will always have a deep love for the dedicated people who made this district.... Our prayer is that it will forever be a shining star in public school education.... We hope to encourage those now connected to the district to appreciate the give and take, the dedication and commitment that made the Hays Consolidated Independent School District what it is now and will be in future years to come.”*
