Electronic voting machines or paper ballots may be used for early voting by personal appearance (except as otherwise provided in this section). As required by the Election Code, the District shall provide at least one accessible voting system in each polling place used in the Election. Such voting system shall comply with Texas and federal laws establishing the requirement for voting systems that permit voters with physical disabilities to cast a secret ballot. The President of the Board of Trustees, the Superintendent, and their respective designees, are authorized to enter into, execute and deliver one or more Election Agreements, in accordance with applicable provisions of the Election Code. The terms and provisions of each Election Agreement are hereby incorporated into this Election Order. To the extent of any conflict between this Election Order and an Election Agreement, the terms and provisions of the Election Agreement shall prevail, and the President of the Board of

Trustees, the Superintendent, and their respective designees, are authorized to make such corrections, changes, revisions and modifications to this Election Order, including the exhibits hereto, as are deemed necessary or appropriate to conform to the Election Agreement, to comply with applicable state and federal law and to carry out the intent of the Board, as evidenced by this Election Order. The Administrators shall be responsible for establishing the central counting station for the ballots cast in the Election and appointing the personnel necessary for such station.

Section 8. Bilingual Election Materials. All notices, instructions, and ballots pertaining to the Election shall be furnished to voters in both English and Spanish and persons capable of acting as translators in both English and Spanish shall be made available to assist Spanish language speaking voters in understanding and participating in the election process.

Section 9. Delivery of Voted Ballots; Counting; Tabulation; Canvassing of Returns; Declaring Results. The ballots shall be counted by one or more teams of election officers assigned by the presiding judges, each team to consist of two or more election officers. After completion of his responsibilities under the Election Code, including the counting of the voted ballots and the tabulation of the results, the presiding judge shall make a written return of the Election results to the District in accordance with the Election Code. The Board shall canvass the returns and declare the results of the Election.

If a majority of the resident, qualified electors of the District voting at the Election, including those voting early, shall vote in favor of a Proposition, then the issuance and sale of the bonds described in such Proposition shall be authorized in the maximum amount contained therein, and the bonds shall be issued and sold at the price or prices and in such denominations determined by the Board to be in the District's best interest.

Section 10. Training of Election Officials. Pursuant to the Election Code, a public school of instruction for all election officers and clerks may be held as arranged or contracted by the Administrators.

Section 11. Notice of Election. Notice of the Election, stating in substance the contents of this Election Order, shall be published one time in the English and Spanish languages, in a newspaper published within the District's territory or, if none is published in the District's territory, in a newspaper of general circulation in the District's territory, at least ten (10) days and no more than thirty (30) days prior to Election Day. Notice of the Election shall also be given by posting a substantial copy of this Election Order, in both English and Spanish, (i) on Election Day and, during early voting by personal appearance, in a prominent location at each polling place and (ii) not later than the twenty-first (21st) day before Election Day on the bulletin board used for posting notices of meetings of the Board and in three (3) public places within the boundaries of the District. In addition, this Election Order, together with the notice of Election, the contents of the Propositions and any sample ballot prepared for the Election, shall be posted on the District's website, in both English and Spanish, during the twenty-one (21) days before the Election. A voter information document for each Proposition shall also be prepared and posted in the same manner described in the two immediately preceding sentences, except that such documents need not be posted on the bulletin board used for posting notices of meetings of the Board.

Section 12. Notice of Meeting. The Board officially finds, determines, recites and declares that written notice of the date, hour, place and subject of the meeting at which this Election Order is adopted was posted on a bulletin board located at a place convenient to the public at the District's administrative offices for a least seventy-two (72) hours preceding the scheduled time of the meeting; that a telephonic or telegraphic notice of such meeting was given to all news media who have consented to pay any and all expenses incurred by the District in connection with providing such notice, both as required by the Open Meetings Law, Chapter 551, Texas Government Code, as amended; and that such meeting was open to the public as required by law at all times during which this Election Order and the subject matter thereof was discussed, considered and formally acted upon.

Section 13. Mandatory Statement of Information.

(a) Pursuant to Section 3.009, Texas Election Code: (i) the proposition language that will appear on the ballot is set forth in Section 4 of this Election Order, (ii) the purposes for which the bonds are to be authorized are set forth in Section 3 of this Election Order, (iii) the principal amount of bonds to be authorized is set forth in Section 3 of this Election Order, (iv) if the issuance of bonds is authorized by voters, taxes sufficient, without limit as to rate or amount, to pay the principal of and interest on the bonds and the costs of any credit agreements may be imposed, as set forth in Section 3 of this Election Order, (v) bonds authorized pursuant to this Election Order may be issued to mature over a specified number of years not to exceed the maximum number of years authorized by law and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the Board, (vi) as of the date of the adoption of this Election Order, the aggregate amount of outstanding principal of the District's debt obligations is \$470,875,000.00, and the aggregate amount of outstanding interest on the District's debt obligations is \$257,113,875.00 (based upon the District's expectations relative to its variable rate debt obligations), and (vii) the District's ad valorem debt service tax rate as of the date of adoption of this Election Order is \$0.4977 per \$100 valuation of taxable property.

(b) Based upon market conditions as of the date of this Election Order, the maximum net effective interest rate for any series of the bonds is estimated to be 4.25%. Such estimated maximum interest rate is provided as a matter of information, but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold. In addition, the estimate contained in this subsection (b) is (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to and does not give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Propositions submitted by this Election Order.

Section 14. Authority of the Superintendent. The Superintendent shall have the authority to take, or cause to be taken, all reasonable or necessary actions to ensure that the Election is fairly held and returns properly counted and tabulated for canvass by the Board, which actions are hereby ratified and confirmed. Without limiting the generality of the immediately preceding

sentence, the Superintendent and his designees are hereby authorized to complete and update **Exhibit A** and **Exhibit B** hereto with any alterations or changes in or additions to the polling locations and other information, as necessary.
