4. 2022-2023 Draft Calendar Considerations-Tim Savoy, Marivel Sedillo and Mary Noble  
**Mr. Savoy reviewed the requirements for the district calendar. He then reviewed 2 draft options with the DLT members. DLT members were given the opportunity to ask questions and submit suggestions. Various options were discussed taking into account the needs of parents as well as the needs of the campus teams. A vote was taken regarding exchange days with 76% of members voting to keep the days. A vote was taken on the calendar draft choices with Calendar B garnering 89% of the votes. A vote was taken on the options for Exchange day dates with August 3&4 earning 38% of the vote and October 31/January 3 earning 62% of the votes. Mr. Savoy stated that he will do a larger poll regarding the calendar proposal. If the larger poll is supportive of this calendar option, then there will not be a need for an additional DLT meeting in January. A proposal was also made and supported by the DLT (93% in support) to apply the same calendar pattern for the 23-24 school year. Dr. Wright explained that the committee will need to review the District of Innovation plan in the fall of 2023 so that the district can continue to start school earlier than required by the state.**
