MINUTES

1. Welcome Members and Guests

Dr. Wright welcomed everyone to the meeting. He shared recent Austin area real estate information, noting that Hays CISD has now surpassed other area districts in future housing growth.

2. District Calendar Discussion

The district has begun investigating a 4-day school week calendar option. While a potential calendar has been drafted, Dr. Wright expressed that he wants to ensure that the district does its due diligence in investigating all aspects of the 4-day week before such a calendar is put forward. A task force consisting of DLT members and representatives from various district departments will be created to explore the 4-day school week as an option to put forth for the 2024-2025 school year calendar. DLT members wishing to join this task force should email Ms. Marivel Sedillo.

Dr. Wright noted that Hays CISD adopts school calendars each biennium, and a calendar was previously adopted for 2023-2024. Dr. Wright shared that a couple of changes to this calendar will be proposed at an upcoming Board of Trustees meeting. Dr. Wright and Ms. Sedillo answered questions from DLT members regarding the district calendar.

3. DOI Amendment Update

Based on feedback received at the November DLT meeting, 6 of the 8 DOI Amendments proposed at that meeting will be presented to the Board of Trustees for consideration and possible adoption. The 6 Amendments to be proposed at the January Board of Trustees meeting were reviewed and discussed by the DLT. Dr. Wright and Dr. Medina answered questions from DLT members. The DOI Amendment Timeline was reviewed with the DLT.

4. Grant Update

Stephanie Norris reviewed the grants that Hays CISD currently receives and the programs they support. Hays CISD is currently in the process of applying for including both the new Formula Safety Grant and the 21st Century Learning Grant. There were no questions or input about the current or proposed grants.

5. Discussion, Comments, Questions
