

# District Leadership Team

## 2022-2023

**Meeting Date: March 9, 2023**

**Meeting Time: 4:30 p.m.**

**Meeting Location: Kyle Elem. School - Kimbro Building**

### AGENDA

1. Welcome Members and Guests - Dr. Eric Wright, Superintendent

Dr. Wright welcomed everyone to the meeting and gave a brief update on the district.

2. Calendar Task Force Update

Ms. Sedillo and Michael Yargeau provided an update from the first Calendar Task Force meeting. This first meeting was a brainstorming session during which the team explored the pros and cons of a 4-day week. It was noted that there has been opposition at the state level with regard to districts moving to 4-day week calendars, which may result in changes that prevent districts from moving to such a calendar. Given this information, the Task Force will explore a variety of calendar options during its upcoming meeting. The DLT members asked questions to Mr. Yargeau, Ms. Sedillo, and Dr. Wright regarding potential calendar changes.

3. Collaborative, Comprehensive Needs Assessment (CCNA)

The purpose and steps of the CCNA process were reviewed. The DLT discussed the eight CCNA Focus Areas in table groups, identifying which focus questions were most important and which data they would want to review as they answered those questions. Each group shared out with the larger DLT group, giving all members the opportunity to learn more about each focus area. Each DLT member completed an exit survey noting the three focus areas they were most interested in learning more about.

4. Discussion, Comments, Questions
