The President of the Board of Trustees, the Superintendent, and their respective designees, are authorized to enter into, execute and deliver one or more Election Agreements, in accordance with applicable provisions of the Election Code. The terms and provisions of each Election Agreement are hereby incorporated into this Election Order. To the extent of any conflict between this Election Order and an Election Agreement, the terms and provisions of the Election Agreement shall prevail, and the President of the Board of Trustees, the Superintendent, and their respective designees, are authorized to make such corrections, changes, revisions and modifications to this Election Order, including the exhibits hereto, as are deemed necessary or appropriate to conform to the Election Agreement, to comply with applicable state and federal law and to carry out the intent of the Board, as evidenced by this Election Order. The Administrators shall be responsible for establishing the central counting station for the ballots cast in the Election and appointing the personnel necessary for such station.

**Section 8. Bilingual Election Materials.** All notices, instructions, and ballots pertaining to the Election shall be furnished to voters in both English and Spanish and persons capable of acting as translators in both English and Spanish shall be made available to assist Spanish language speaking voters in understanding and participating in the election process.

**Section 9. After completion of his responsibilities under the Election Code, including the counting of the voted ballots and the tabulation of the results, the presiding judge shall make a written return of the Election results to the District in accordance with the Election Code. The Board shall canvass the returns and declare the results of the Election.

If a majority of the resident, qualified electors of the District voting at the Election, including those voting early, shall vote in favor of a Proposition, then the issuance and sale of the

bonds described in the Proposition shall be authorized in the maximum amount contained therein, and the bonds shall be issued and sold at the price or prices and in such denominations determined by the Board to be in the District's best interest. Proceeds of bonds issued and sold pursuant to each Proposition shall be used in accordance with any limitations imposed by Subsection 45.003(g), Education Code.

Section 10. Training of Election Officials. Pursuant to the Election Code, a public school of instruction for all election officers and clerks may be held as arranged or contracted by the Administrators.

Section 11. Notice of Election; Voter Information Document. Notice of the Election shall be given in the manner required by the Election Code and other applicable law. To the extent required by law, the notice of the Election shall include the District's internet website address, which is <https://www.hayscisd.net/>.

A voter information document for each Proposition in the form attached hereto as **Exhibit C** is hereby approved, together with such revisions as may be approved by the Superintendent, and shall be posted and provided in accordance with law.

Section 12. Notice of Meeting. The Board officially finds, determines, recites and declares that written notice of the date, hour, place and subject of the meeting at which this Election Order is adopted was posted on a bulletin board located at a place convenient to the public at the District's administrative offices for a least seventy-two (72) hours preceding the scheduled time of the meeting; that a telephonic or telegraphic notice of such meeting was given to all news media who have consented to pay any and all expenses incurred by the District in connection with providing such notice, both as required by the Texas Open Meetings Act, Chapter 551, Texas Government Code, as amended; and that such meeting was open to the public as required by law at all times during which this Election Order and the subject matter thereof was discussed, considered and formally acted upon.

Section 13. Mandatory Statement of Information.

(a) Pursuant to Section 3.009, Texas Election Code: (i) the proposition language that will appear on the ballot is set forth in Section 4 of this Election Order, (ii) the purposes for which the bonds are to be authorized are set forth in Section 3 of this Election Order, (iii) the principal amount of bonds to be authorized is set forth in Section 3 of this Election Order, (iv) if the issuance of bonds is authorized by voters, taxes sufficient, without limit as to rate or amount, to pay the principal of and interest on the bonds and the costs of any credit agreements may be imposed, as set forth in Section 3 of this Election Order, (v) bonds authorized pursuant to this Election Order may be issued to mature over a specified number of years not to exceed the lesser of forty (40) years or the maximum number of years authorized by law and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the Board, (vi) as of the date of the adoption of this Election Order, the aggregate amount of outstanding principal of the District's debt obligations is \$668,310,000 and the aggregate amount of outstanding interest on the District's debt obligations is \$318,927,796, and (vii) the District's ad valorem debt service tax rate as of the date of adoption of this Election Order is \$0.4877 per \$100 valuation of taxable property.

Such estimated maximum interest rate is provided as a matter of information but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold. In addition, the estimate contained in this subsection (b) is (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to and does not give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Propositions submitted by this Election Order.

Section 14. Authority of the Superintendent. The Superintendent shall have the authority to take, or cause to be taken, all reasonable or necessary actions to ensure that the Election is fairly held and returns properly counted and tabulated for canvass by the Board, which actions are hereby ratified and confirmed. 2. Estimated interest for the debt obligations to be authorized	<b>\$190,029,675</b>
3. Estimated combined principal and interest required to pay on time and in full the debt obligations to be authorized	<b>\$398,844,675</b>
4. Principal of all outstanding debt obligations of the District*	<b>\$668,310,000</b>
5. Estimated remaining interest on all outstanding debt obligations of the District*	<b>\$318,927,796</b>
6. Estimated combined principal and interest required to pay on time and in full all outstanding debt obligations of the District*	<b>\$987,237,796</b>
7. Estimated maximum annual increase in the amount of taxes that would be imposed on a residence homestead in the District with an appraised value of \$100,000 to repay the debt obligations to be authorized, if approved, based upon assumptions made by the governing body of the District	<b>\$0.00</b>
8. Other information that the District considers relevant or necessary to explain the foregoing information	See major assumptions listed below.

\* As of the date of adoption of the District’s Order Calling School Building Bond Election (the “Bond Election Order”).

<sup>7</sup> This Exhibit shall be updated by the Superintendent and/or his designee(s) in consultation with the District’s Bond Counsel as to legal sufficiency.

**Major assumptions for statements above, including statement 7:**

(1) Assumed amortization of the District’s debt obligations, including outstanding debt obligations and the proposed debt obligations:

<b>Term</b>	<b>Principal</b>	<b>Interest</b>	<b>Total Proposed Debt Service</b>	<b>Total Proposed Debt Service + Existing Debt Service</b>
<b>26 years</b>	<b>\$208,814,047</b>	<b>\$190,029,675</b>	<b>\$398,844,675</b>	<b>\$1,386,081,520</b>

(2) Assumes no change in future appraised values within the District.

(3) Assumed interest rate on the debt obligations to be issued: 5.50%. Such interest rate assumes that the debt obligations will not be guaranteed by the Permanent School Fund of Texas due to the lack of capacity in the Permanent School Fund of Texas as of the date of adoption of the District’s Bond Election Order.

(4) If the assumptions contained herein are met, the District does not anticipate the need for a tax rate increase to pay debt service on debt obligations issued pursuant to the proposition set forth in this Voter Information Document. Therefore, the estimated maximum annual increase in the amount of taxes imposed on a residence homestead to repay the debt obligations, if approved, is expected to be \$0.00. However, whenever the District issues debt obligations, additional property taxes must be levied and collected to pay debt service on the debt obligations. Accordingly, Section 45.003, Texas Education Code, requires that the following statement appear on the ballot for all school district bond propositions: “THIS IS A PROPERTY TAX INCREASE,” regardless of the anticipated impact on the tax rate.

(5) Assumes state-mandated homestead exemption.

(6) Assumes homestead does not qualify for idiosyncratic exemptions, including, but not limited to, the state-mandated (a) homestead exemption for the elderly and disabled (for which tax payments are capped based on the homeowner’s tax payment in the year the exemption is obtained), and (b) homestead exemption for disabled veterans and their families, surviving spouses of members of the armed services killed in action and surviving spouses of first responders killed or fatally wounded in the line of duty.

(7) Numbers in (1) above only include the proposition described above and existing debt. Please see the Voter Information Document for any other proposition for its respective details.

The estimates contained in this Voter Information Document are (i) based on certain assumptions (including the major assumptions listed above and assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District’s financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of

Section 1251.052, Texas Government Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to (and expressly do not) give rise to a contract with voters or limit the authority of the District to issue bonds in accordance with the proposition set forth in this Voter Information Document submitted by the District's Bond Election Order.
