GROWTH

In May of 2017, the voters of the Hays CISD community approved two bond propositions totaling \$250 million. As a result of this vote, we will be opening two new campuses this year; a new campus for Buda Elementary School and the newest high school named in honor of the first Superintendent for Hays CISD and his wife, Moe & Gene Johnson High School. We also have a brand new transportation facility, and we are looking forward to the opening of our two new CTE facilities at Lehman High School and Hays High School.

We are 100% HaysCISD!
