## Statement Regarding Tom Green Elementary School Bus Accident

A Hays CISD bus carrying Tom Green Elementary pre-K students was involved in a serious accident early this afternoon. The students were returning from a field trip to the Bastrop Zoo. Forty-four (44) students and 11 adults were on the bus. Parents of students on the bus have been notified directly from the campus. The district is in the process of conducting reunification.

Hays CISD transportation staff, counselors, safety and security personnel, and other administrators have all joined first responders either at the accident scene or at the reunification location.

More information to follow.
