**4. PRICE ADJUSTMENTS IN RENEWAL PERIODS**

- 4.1. Consumer Price Index: Price adjustments may be authorized for line items based upon the latest version of the Consumer Price Index (CPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics.

This method is defined as dividing the index value at time of calculation (latest version of the CPI published as of the date of request for price adjustment) by the index value of base period (final published data of the CPI for the base period (date of award), then multiplying the sum by the base price (price at the time of award). Termination of performance is the Vendor's only remedy if the HCISD Buyer does not approve the price increase.
- 4.5 If at any time after approving the price increase, the HCISD Buyer determines that HCISD can obtain the same item at a lower price from a different source without violating the State Purchasing law, HCISD may then purchase the item from the lower price source without any obligation to the Vendor.
