NOTICE TO ALL BIDDERS:

Clarifications:

Question 1: Please provide more information regarding "Disclosure Counsel". Is this attorney retained to provide advice on open records requests? Disclosure obligations in what circumstances are you referring?

Answer:

The attorney retained would provide advice on open records requests in the area of "Disclosure Counsel".

Question 2: Section 11.3 asks for a "list of all Texas school districts you have provided legal services for the last five (5) years," and then states, "Please include the contact name, title, phone number and email address." For the second part of the request, will you please clarify if you are seeking contact information for every Texas school district the firm has represented in the last five year or just a limited number of references with contact information? If you are seeking a limited number of references with contact information, how many would you like for us to provide?

Answer:

Please provide three (3) references.
