Agenda:

1. Emphasizing importance of staying on topic from agenda items at every meeting.
2. Discussing what student management techniques we found to apply to the project we want to implement for our next school year.
3. Scheduling a meeting with the CORE to bring up topics that have been brought up to TLC members by other transportation staff
4. Making another survey getting feedback from transportation staff regarding topics that have been brought to our attention.

Meeting began: 9:48am

Jonathon opened up meeting with agenda.

Jonathon brought up some **feedback** from his meeting with Mr. Bonilla. **Committee members should** stay on topic with our selected **agenda items**.

There was open floor discussion:

- Many TLC members requested that we do another survey. TLC committee agreed on 5 survey questions. Kaitlyn will put together and Jonathon will meet with Mr. Bonilla to get approval to be able to send out to employees.
- A lot of employees are not happy with concerns or problems not being addressed on the spot. Instead ALL employees are addressed by someone in the Core.
- Many employees are upset about the Core & Ops not having open door policy and having to scan QR codes to make appts with Leads to address any concerns or questions in regards to routes.
- Complaints from many employees on how there is a lot of negativity and gossip being thrown around transportation,
- Also spoke about setting up new time for meetings for the remainder of the year so All TLC staff can attend.

Meeting ended: 10:50 am
