## 2021 Rezoning Policy Highlights

*Full Hays CISD Rezoning Policy is online as Policy FC (Local)*

The purpose of establishing attendance areas shall be to:

1. Maintain the neighborhood school concept;
2. Prevent, reduce, and eliminate overcrowding;
3. Allow for future growth;
4. Keep distances traveled by students as short as possible;
5. Minimize the need for student transportation; and
6. Allow campuses to house students safely and provide adequate services to all students.

The following principles shall be among the factors considered in making attendance area changes where feasible:

1. Work toward common feeder patterns throughout the District.
2. Attempt to assign entire neighborhoods to the same school(s).
3. Consider students' proximity to campuses and promote safe and reasonable walking zones to encourage healthier students.
4. Utilize projected student enrollment and capacity as principle measures of determining efficient use of educational facilities.

---

## Map C Considerations

The committee developed Map C Plan on October 26, 2021 to address member considerations that differentiate Map C from Maps A & B. This map succeeds by:

- Limiting the number of students that have to be moved
- Allowing additional space at Elementary #15 for potential growth faster than expected
- Allowing Elementary #15 (as a new prototype school floor plan) to open with a smaller population to work out the best building movement and traffic patterns, and troubleshoot any other issues that may arise prior to it hosting a full student body
- Arresting the projected population explosion at both Tom Green and Camino Real Elementary Schools.
