

2020-2021 Saturn V School Supply List

Technology will be used for Blended Learning at both home & school. If parents/guardians prefer to furnish their child with a device rather than use the school's device, Hays CISD encourages PK-2* to use iPads or tablets and 3-12 to use Chromebooks or laptops. **Depending on the developmental needs of the child, parents of 2nd grade students may prefer the child to work on a Chromebook or laptop.*

Saturn V does NOT use the district school supply list. Please do not buy items on the district list because the needs of our program are somewhat different. Instead, we are requesting:
