CHAPA MIDDLE SCHOOL TRADITIONS

Armando Chapa:

Our school is named in honor of Armando Chapa. Mr. Chapa worked for Team Hays for 30 years. He began his career as a counselor, and then he became principal of Hays Middle School. He then opened Kyle Middle School (which is now Wallace Middle School). Finally he served as the first counselor of Barton Middle School when it opened its doors until his retirement in 2004. Mr. Chapa is well-known for his hard work, dedication, sense of humor and genuine concern for student success. He is a family man, is married and has five wonderful daughters. He takes pride in himself and everything he does. At CMS, we will instill the work ethic, dedication and pride Armando Chapa exemplifies. Just as Mr. Chapa has been an active part of his community, Team Chapa will embrace community involvement and will host family events throughout the year to bring our community into our school.

The BEST Middle School in the Universe!

Grading Policy

Grading Standards – Secondary

Hays CISD expects students to give their best effort the first time an assignment is made or a project or test is given. To ensure this quality of work, the following rules apply:

1. Teachers are required to record a minimum of one minor grade per week and a minimum of three major grades per grading period for each content area.
2. Minor grades will count for 40% and major grades will count for 60% of the overall grade for a nine-weeks grading period. All semester exam grades will count as 1/7 of the semester grade.
3. Teacher discretion may be used to determine what assignments constitute a minor or major grade, except for district-required Curriculum Based Assessments which are to be recorded as a major grade and eligible for reassessment.
4. Students have five school days from the time an assignment or test is returned to the student to receive re-teaching and to re-do assignments or take re-tests. The re-teaching, re-submitting, and re-testing within the five school days is scheduled at the discretion of the teacher.

5. Corrections made to an assessment do not constitute a reassessment. Students must participate in re-teaching prior to any assessment.
6. Students may re-submit assignments and re-test only one time per assignment. The following assignments are not eligible for resubmission: major projects and midterm, final, and benchmark assessments. Grades on benchmark assessments will be derived from material that has only been previously taught.
7. Students have two class meetings from the time a missing grade is posted in the grade book to make up the missing work.
8. Students may receive a maximum grade of 75 on all missing or re-submitted assignments and tests. When a re-test or re-assessment occurs, grades should be assigned in the following manner:
 - If a student scores a grade of 75-100; a grade of 75 should be entered in the gradebook
 - If a student scores a grade of 0-74; the higher of the two scores (original grade or re-test) should be recorded in the gradebook.

Re-teaching and reassessment for mastery – Secondary

Students not mastering an objective standard will have the opportunity to be re-taught and reassessed a second time. Re-teaching may occur in a variety of ways and in different settings. This may or may not be scheduled during class time, but must be pre-announced so that students may plan accordingly. The number of re-teaching opportunities such as independent practice, activities, and/or ongoing homework, depends upon the professional judgment of the teacher and are required to strengthen skills prior to a second assessment. For reassessment, the teacher may not use the same assessment to determine mastery.

Late and Make-up Assignments – Secondary

Students are expected to complete all assignments. If a student fails to complete assignments or if late assignments become a concern for that student, teachers will notify the parent or guardian and the campus designee.

1. Students will be expected to make up assignments and tests after an absence. A student shall be responsible for obtaining and completing the make-up assignments in a satisfactory manner and within the time specified by the teacher.
2. The District shall not impose a grade penalty for make-up assignments after an unexcused absence.
3. The District shall not impose a grade penalty for make-up assignments after an absence because of suspension.
4. Students may be required to attend a teacher or campus program to complete any missing and/or unsatisfactory assignments turned in after the due date for a maximum grade of 70. Non-compliance may result in disciplinary action.
5. Any assignments not completed and submitted may be given the grade of a zero.

Academic Dishonesty

In accordance with EIA (local) policy, a student found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, or information from students.

Schedule Change Process

Master schedules are usually developed in the spring prior to the upcoming year. Selections during registration indicate how many teachers and sections will be needed for a course. The process allows administrators to plan to hire for optimum academic strength. When students are permitted to randomly change schedules, classes become overcrowded. As a result, all students are impacted. Even the most effective planning is compromised. Very seldom does one course change impact only one course. Careful selections benefit everyone. Thank you for being a crucial part of our educational team as we work together for academic excellence.

1. Reasons for Schedule Change:
 - When a student is incorrectly placed or incorrectly scheduled into a course

- When a class is too large and must be balanced
 - When a class is too small and must be deleted
2. Schedules and Course Selections:
The counselor handles course selections. Any problem a student may have with his/her schedule can be discussed with the counselor. Schedule changes are done through the Counseling Center. Schedule change requests must be submitted by the first week of school. For credit purposes, students' schedules will not be changed after the first 3 weeks of school. [Counselor Link](#)

Report Cards and Progress Reports

Report cards are issued to each student while at school to be taken home each nine weeks. Progress reports are issued at three-week intervals. Teachers will provide a progress report to any student who has a 74 or lower in their class at progress reporting time. Parents and/or students may also request progress reports at any time. Students who have a failing grade on any of these two reports are encouraged to seek assistance. Extra assistance is offered before and after school upon teacher / student arrangements.

Report cards will be issued to the student five (5) instructional days following the close of each nine weeks period. Report cards should be taken home.

- 1st Nine Weeks Aug. 15 - Oct. 5, 2023
- 2nd Nine Weeks Oct. 10 - Dec. 15, 2023
- 3rd Nine Weeks Jan. 4 - Mar. 8, 2024
- 4th Nine Weeks Mar. 18 - May 23, 2024

Extra Assistance

Students are encouraged to make arrangements before or after school for assistance.

UIL ELIGIBILITY AND OTHER RELATED QUESTIONS

Eligibility: Questions often arise during the year regarding eligibility. The coach, athletic coordinator, band director, sponsor, or administrator can usually answer them. Here are a few things to remember:

1. Students must have the required number of credits to be eligible the first six weeks (unless specified otherwise by an ARD).
2. Students who fail a class will be ineligible for three weeks following the seventh day after which grades ended.
3. Students must be passing ALL classes at the three-week point in order to regain eligibility.
4. The winter holidays are not considered weeks for school purposes and UIL eligibility. Review this carefully with students in conjunction with their activity or sport.
5. The three-week period only counts actual school weeks, NOT calendar weeks.

ATTENDANCE

Attendance Policies

Regular school attendance is essential for the student to make the most of his or her education – to benefit from teacher-lead activities, to build each day's learning on that of the previous day, and to grow as an individual.

State law requirements [FEA]

- Link to Hays CISD Policy FEA (LOCAL) and LEGAL : [Hays CISD Policy FEA attendance](#)
- A student must be in attendance each day of each semester.

Absences will be coded as unexcused without a signed note. Please send all attendance excuses or doctor notes to the CMS Attendance Clerk at cms.attendance@hayscisd.net

1. The student must return with a written note from parent or doctor (if seen) within 5 days of absence that includes:
 - a. Reason for absence
 - b. Date of the absence
 - c. Parent's daytime telephone number
 - d. Signature of person giving authorization for the absence.
2. Students returning to school after the start of the school day must report to the attendance window. If the student is more than 15 minutes late, they will be considered absent from class.
3. A student is considered present due to a documented appointment with a healthcare professional if that student returns to classes on the same day of the appointment. A note from the health care professional must support the appointment. If a student arrives late due to a doctor's appointment, the student will check in at the attendance office before going to class. The student will **not** be considered tardy with doctor documentation.

DISCIPLINE

HAYS CISD STUDENT CODE OF CONDUCT

The student code of conduct applies to all school-sponsored and school-related activities, on campus as well as **with virtual learning**. Students who violate these rules will be subject to disciplinary action, and when appropriate, will be referred to legal authorities for criminal prosecution for violation of the law. Students will receive a copy of the Hays CISD Student Code of Conduct. In order to accentuate the positive roles in student discipline, listed below are the student's responsibilities. **Please refer to the Hays CISD Student Code of Conduct for district policies and specific infractions. For your benefit, we have some of the following items in this handbook to help you understand The Cougar Way.**

Students attending Chapa Middle School are expected to

1. Respect People, Respect Property, Respect Learning.
2. Honor a reasonable request from an adult.
3. Attend classes regularly and on time.
4. Bring materials and completed assignments to class.
5. Be properly attired. (see Dress Code)
6. Conduct themselves in a responsible manner.
7. Pay required fees and fines.
8. Adhere to the rules and regulations in the Student Code of Conduct.
9. Seek changes and review of school rules and policies in a responsible manner through our site based decision-making process.

DISCIPLINE CONSEQUENCES

*Students will be counted tardy if they arrive on campus after 8:05 AM
Tardies will start over each semester.

Tardy CONSEQUENCES

- 1st Violation - Lunch Detention and Parent Contact
- 2nd Violation - Lunch Detention and Parent Contact
- 3rd Violation - 2 Lunch Detentions and a Parent Contact
- 4th Violation - After School Detention and Parent Contact
- 5th + Violations – Referral to the Office will result in Thursday or Saturday ISS

Students arriving late for school in the morning must sign in at the office and have a parent/doctor note. A parent/guardian must sign out students leaving during the day.

Teachers, Paraprofessionals and Administration will be monitoring the hallways every period. Staff will input a student's ID number electronically and then walk each student to their classroom if there are any campus violations during transitions between class periods. The ISS teacher/Administration will maintain the list and contact parents as students receive consequences. Students will have a grace period, the first 2 weeks of school (Fall and Spring Semesters) where tardies will not be recorded. Excessive tardies may result in the student being ineligible for extra-curricular activities, (after-school sport practices or games, dances, or other extra-curricular activities).

Lunch Detention (LD)

Teachers may assign lunch detention to students for minor infractions. Students may bring a sack lunch, or a lunch will be provided at cost to the student. When the bell rings to end lunch, students are dismissed to continue the academic day. Students who choose to misbehave during lunch detention will be assigned further consequences. Students must take home the written notification (disciplinary referral) of assigned consequence. Those students who fail to serve Lunch Detention will receive further consequences.

After School Detention (ASD)

After school detention is held Monday – Thursdays from 3:45 p.m. to 5:00 p.m. The parent will be notified after it has been assigned. The parent may make arrangements to pick up the child or the child may ride a late bus home (transfer students are not permitted to ride the bus and will be required to provide their own transportation). Students will be assigned to various details which include, but are not limited to, picking up trash on campus, beautifying landscape, cleaning sidewalks, and cleaning desks and cafeteria tables. If students fail to attend ASD, other consequences, such as Saturday School, may be given.

In-School Suspension (ISS)

ISS is during the school day as assigned by the Assistant Principal. Upon receiving notice that a student has been assigned to ISS, teachers will prepare appropriate assignments for the length of time the student is assigned. Students are to receive credit for work completed in ISS. Once students have been placed in ISS, they will not be allowed to leave the room except in extreme circumstances and only when approved by an administrator. Students will not have access to their cell phones while in ISS. It is the student's responsibility to make up all class work. An administrator will inform parents, or make a reasonable attempt to notify parents, when a student has been assigned ISS. Students who choose to misbehave during ISS will be assigned further consequences. **Students in ISS who complete all of their work in ISS class will be released from class at the end of the day, 3:45 pm. If all of the daily work assigned is not completed, students will remain in ISS the following day or until 7:00pm (Tuesday's and Thursday's only), at which time parents will need to pick them up from campus.**

Evening ISS

Evening ISS is held from 3:45 pm to 7:00pm (Tues and Thurs), unless there needs to be an adjustment made by administration. Parents are required to provide transportation. Students will be assigned to various details which include, but are not limited to, picking up trash on campus, beautifying landscape, cleaning sidewalks, and cleaning desks and cafeteria tables. If students fail to attend Evening ISS, it will be rescheduled and additional consequences may be given.

Suspension

A referral to the office for inappropriate school behavior may be assigned the consequence of suspension at home. Parents will be required to pick up their child at school. All school work may be made up with no penalty.

Administrative Detail

Students will be assigned to various details which include, but are not limited to, picking up trash on campus and cleaning cafeteria tables.

District's Alternative Education Placement

Students will be recommended for a placement at the district's Alternative Education Placement (Impact) for serious disciplinary infractions or behaviors that are deemed mandatory by the Texas Education Code. When it is recommended by an administrator that a student needs to be placed at Impact, the parent will be contacted to schedule an Administrative Conference. Following the conclusion of the conference, the student must attend an intake at the Impact Center within 3 school days if it is decided for the student to be placed at Impact. Failure to do so after 3 days could result in additional days added to the total number of removal days. The student could also be considered truant from school if the intake was not scheduled within 3 days. If the student will need to attend Impact, he/she will remain in ISS until the Impact intake is completed. All attendance policies and procedures will apply. If the student is placed in Impact, he/she will be offered courses in English language arts, mathematics, science, history and self-discipline only.

Expulsion

When all other forms of consequences have failed to change behavior, or when a student commits an act that requires a discretionary or mandatory removal, a student may be expelled from school. The hearing process begins at the middle school administrative level, moves to the superintendent and may continue to the school board. A student who is expelled shall not be on campus or attend any school-sponsored and/or related activities for any reason.

Fighting

Scuffling, fighting, and other physical contact between students is prohibited. Fighting is defined as a physical conflict between two or more individuals. Students under attack should detach from the situation and get an adult to help. A fight occurs when the student strikes back and actively engages in the altercation. Each student is responsible for making every effort to avoid the use of any force and is advised to remove themselves from the situation if at all possible. The district does not condone or authorize students to use force against another individual, even if that individual provokes or instigates a fight or altercation.

Self-defense is the use of force against another to the degree a person reasonably believes the force is immediately necessary to protect himself or herself. When a claim of self-defense is made, we may consider the following:

1. The force being used against the student is lawful.
2. The student has an opportunity to avoid force or to inform a school official of threatened use of force.
3. The student uses force after the other party abandons or attempts to abandon a fight or confrontation.

Chapa Middle School will operate under a **ZERO tolerance** atmosphere regarding fighting. Students involved in a fight or an offense determined as an assault **may** be removed to the Impact Center. CMS will involve the School Resource Officer which may result in outside law enforcement investigation. The message we are sending is **DO NOT FIGHT ON CHAPA MIDDLE SCHOOL PROPERTY**, including athletic events, dances or any activity held on school property or school related trips or events. It is because of these added ramifications of fighting, etc., on the Chapa campus that we strongly encourage possible victims or possible participants to report any hint of confrontation to the administrative or teaching staff immediately.

Public Display of Affection

Public display of affection shall be limited to: a brief hug hello, a brief hug goodbye. Disciplinary action will be assigned for violation of this rule.

Academic Dishonesty: Academic dishonesty, as in cheating or plagiarism, is not acceptable. Academic Dishonesty includes the copying of another student's work such as homework, class work, test answers, etc., as one's own. Plagiarism is the use of another person's original ideas or writing without giving credit to the true author. Research conducted on the Internet, just like with encyclopedias and other information sources, must be summarized in the student's own words with proper citation given. Cutting and pasting from a source on the web without giving proper credit to the original author is plagiarism. A student found to have engaged in academic dishonesty will be subject to the complete loss of credit for the work in question, as well as disciplinary penalties according to the Student Code of Conduct.

Skateboards and Rollerblades: Skateboards and roller blades are not allowed on the school campus both during and after school hours. Possession of said item will result in disciplinary action and possible loss of the item similar to electronic equipment.

Food and Drink on Campus: Students cannot request commercial delivery of food to CMS.

Students may bring lunch from home, and parents may bring food FOR THEIR CHILD ONLY. Food and drinks are permitted in the classroom only as part of Grab-n-Go breakfast; otherwise, only water is permitted in the classroom. **No glass containers** allowed on campus. Any items delivered to the office are subject to approval by an administrator. Any parent dropping off food items for their students will need to deliver it during lunch **ONLY**. Students will then meet their parents to receive food face-to-face.. Students can then retrieve the item after receiving permission from staff.

Classroom Learning Violations: Every CMS student is entitled to an education received in a safe and respectful environment. Each classroom teacher has rules and policies for their individual classrooms which will be enforced at the school level as needed. CMS uses tiered interventions, whenever possible, to address inappropriate behavior.

Cell Phone/Electronics Policy

Student use guidelines during the school day (7:40 AM, upon entering the building, until 3:45 PM)

- Teachers have final authority in their classroom and will clearly communicate through a red or green indicator if student technology may be used during instructional time.
- Cell phones must be out of sight and silenced in the classroom unless otherwise instructed.

Violation of electronics policy

Students who violate the policy will have the following consequences.

- 1st Offense – Confiscation of the device and returned to student at the end of the day
- 2nd Offense – Confiscation of the device and returned when picked up by a parent or guardian listed on the student contact information

Crisis management drills will be exercised at various times during the school year.

ID's- Identification Cards:

STUDENT ID REQUIREMENTS

All students (PK – 12th) will be issued a Hays CISD identification card (ID) for the academic year. The ID will designate their assigned campus, name, academic year, grade, legislatively mandated information and student ID number. The ID is to be worn at all times while on campus or utilizing campus transportation. Any campus activity that utilizes the student ID # will rely on the presence of the ID for tracking purposes, i.e. bus transportation, café, library, etc.

In the event the students loses, misplaces, forgets an ID, they will be expected to report to their designated campus location to immediately receive a replacement. This cost of a replacement ID will be \$5.00. This price is determined by the costs associated for supplies including card, lanyard, sleeve and printing.

Disciplinary Actions

All students are expected to comply with the ID standard. The presence of a person on a campus with a valid, current ID card is the most easily recognizable security action that can be utilized. The district recognizes that tracking unauthorized persons on a campus including students is one of the most effective ways to account for campus safety. Additionally, it is imperative that students have their IDs readily available daily when boarding and exiting their bus to expedite unnecessary roadway traffic delays.

The following actions will result in disciplinary action regarding campus ID violations.

1. Failure to have ID properly displayed and worn around the neck.
 - a. The ID must be worn at all times. It is not to be worn inside a shirt or jacket nor placed in a pocket.
 - b. It is to be visible at all times.
 - c. Includes district transportation (bus drivers will document and forward to campus team)
 - d. Exceptions include athletic activities.
2. Failure to have ID
 - a. Includes district transportation (bus drivers will document and forward to campus team)
 - b. This requires a student to immediately report to their designated campus office to obtain a replacement ID for a fee. This includes a "forgotten" ID.
 - c. The current cost is \$5.00 per ID.
3. Tampering with an ID
 - a. This includes any intentional destruction, defacing, removal of information and/or stickers.

Campuses (PK – 12th grade) *Fees immediately assessed for a lost ID.

| 1 st | Warning (Forgotten ID – warning with temporary ID issued to student) |
| 2 nd | Warning (Communication with parent & same as above) |
| 3 rd | Written Documentation (Communication with parent & same as above) |
| 4+ | Written Documentation (Potential loss of transportation privileges for a period of time and other disciplinary action) |

Impact Procedure

Any student that is placed at Impact for a disciplinary action will adhere to the following guidelines:

The home campus will seize the campus ID and hold it until the students return to their home campus. The student will receive a new "Impact" campus ID for the period of their placement. The student will surrender their Impact ID to Impact staff upon successful completion of their time. The student will report to the designated official upon their return to their home campus to obtain their original campus ID. Impact will retain the student's ID for the school year in the event the student returns to Impact for the academic year.

Students are expected to wear I.D.'s during the school day. We want to be able to identify all students and adults on campus. The original I.D. will be furnished to students prior to school. Additional I.D.'s will cost \$5.00 each. Disciplinary action for not wearing school I.D.'s will be decided by the administrative staff. Each morning, between 7:45a.m. – 8:00a.m., students will be given the opportunity to purchase an I.D. Students will be charged \$5.00 for their replacement I.D. All fines will need to be paid in a timely fashion. Students will be placed on the "No Fun List" and/or consequences will be given until paid. Students will not be able to participate in nonacademic activities such as Assemblies, Cougar Time, and/or pep rallies. Parents are able to bring I.D.'s until the end of first period.

Library: Students are encouraged to use the library. To facilitate this, extended hours are added to the school's regular day. Passes are not required during extended hours. **(CMS will follow library Covid plan for distribution of library materials to students).**

Lockers: Lockers will be limited to athletic and music lockers. These lockers remain under the control and jurisdiction of the school at all times. The student has full responsibility for the security of the assigned locker. **The school is not responsible for the loss of any items taken from a student's locker.** Never leave money or items of value in your locker.

Lost and found: The reception office is designated as the area for lost and found. If lost and found items are not claimed within a reasonable amount of time, they will be discarded.

Passes: The student must have a hallway pass to go to the office or restroom. Students must have a Chapa Pass to go to the library or the nurse's office. Students without hall passes in the hallway will be sent back to class.

Pledges of Allegiance and a Minute of Silence: Texas law requires students be given the opportunity to recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag each day. Students are not required to sit or stand during the pledges so long as they do not interfere or distract others. Parents may submit a written request to the principal to excuse their child from reciting a pledge. A minute of silence will follow recitation of the pledges. The student may choose to engage in any other silent activity so long as the silent activity does not interfere with or distract others.

Posters and Signs: All posters and signs are to be approved by an administrator. Use only cellophane tape or a "Ticky-Tack" substance to attach. Only school related activities may be promoted. Do not attach signs to painted surfaces.

Student Insurance: Insurance is available to all students and the school acts as a service agent only. The school receives no proceeds for this service and is not responsible for claims resulting from injuries. For specifics on insurance coverage, contact the insurance company or the Hays CISD administrative office.
