Goals 3

 Goal 1: Hays CISD believes in the achievement of every student. 3

 Goal 2: Hays CISD is dedicated to the safety, social and emotional well-being of students and staff. 13

 Goal 3: Hays CISD is dedicated to treating all stakeholders with respect and dignity. 17

Goals

Goal 1: Hays CISD believes in the achievement of every student.

Performance Objective 1: The district will evaluate and address the individual needs of each student. Student performance will be evaluated in academics, college readiness, and career development. Our staff believes in the education of the whole child and knows that success is based on more than the result of a single test.

T-PESS Standard 1- Instructional Leadership: The principal is responsible for ensuring every student receives high-quality instruction.

*** SEE Hays CISD Specific Student Achievement Goals in Plan Addendum and within content area SMART goals below ***

Evaluation Data Source(s) 1: The Board will receive a report summarizing student academic performance, including college, career, and military readiness efforts by campus at the September Meeting. A summary of staff professional development efforts addressing data disaggregation, administrative walk-throughs, and CTE programs, will be presented in December and June that includes literacy and math data, along with specific curricular and teaching strategies to address these areas. PK-3 reading levels will be measured at the beginning and end of each year and results shared with the Board. The superintendent will present the Board with a student growth goal at the August Board Meeting addressing HCISD approaches/meets/masters % vs. the state. (No campuses rated Improvement Required after the 18-19 school year is a part of this goal)

Summative Evaluation 1:

TEA Priorities: 2. Build a foundation of reading and math. 3. Connect high school to career and college. 4. Improve low-performing schools.

Goal 2: Hays CISD is dedicated to the safety, social and emotional well-being of students and staff.

Performance Objective 1: A safe environment must include secure facilities, staff and student training, and our adopted standard response protocol. The district will partner with local and state entities to assure preparedness. Specific areas to be addressed are campus access, detecting and reporting possible threats, and building an environment of trust between adults and all students. Our Emergency Operations Plan (EOP) is updated annually and followed throughout the district.

Evaluation Data Source(s) 1: The Board will receive the updated EOP along with an overview of district safety protocols and training at the September meeting. An overview of student and staff character development, including extra-curricular/club participation, and social/emotional supports (discipline, attendance, counseling strategies will be presented in October. The superintendent and his staff will attend all relevant training and report to the Board throughout the year on this topic. Specific attention will be given to the communication of district safety efforts (both physical and training) to our community.

TPESS Standard 2 - Human Capital: The principal is responsible for ensuring there are high-quality teachers and staff in every classroom throughout the school.

TPESS Standard 4 - School Culture: The principal is responsible for establishing and implementing a shared vision and culture of high expectations for all staff and students.

Summative Evaluation 1:

Goal 3: Hays CISD is dedicated to treating all stakeholders with respect and dignity.

Performance Objective 1: Cultivating great community and staff relations requires empathy, visibility, trust, and communication. Communication through all appropriate avenues is a priority, and staff will receive training in these areas. Our district is committed to increasing client engagement both internally and externally.

Evaluation Data Source(s) 1: Staff will receive targeted training, after a process review, in the areas of customer service and community relations. HCISD will develop strategies and systems to make this the best place to work, and the plan will be presented to the Board in November. The Board will receive a monthly update on community and staff outreach. An employee engagement survey will be given and the Board will see the results AND how they will be addressed.

TPESS Standard 3 - Executive Leadership: The principal models personal responsibility and a relentless focus on improving student outcomes.

TPESS Standard 5 - Strategic Operations: The principal is responsible for implementing systems that align with the school's vision and mission and improve the quality of instruction.

<p>3) Goal Setting (CNA/CIP/DIP): The district has an established Site Based Decision Making Committee called the District Leadership Team. The use of the DLT is an advisory role to the Superintendent. This year, the DLT will focus on the District Improvement Plan, discussions over being a District of Innovation, the District Calendar, PD Plans, Budgets, Compliance Documents, Waivers, Drop Out and Attendance Rates, Federal/State Requirements, etc.</p>	3.2	<p>District Support Provided by the Director of Federal Programs, State Reports and Grants</p>	<p>100% of all meeting notes, agendas and sign-in sheets are made public on the Hays CISD DLT webpage.</p> <p>TTESS Dimension 4.2: Goal Setting</p>				
<p>4) Communicating Student Achievement to Parents: The district will provide consistent, timely, and accurate communication to parents on individual student achievement data through a variety of methods such as, but not limited to: student work samples, progress report updates, report cards, parent-teacher conferences, teacher phone calls, TEA assessment portals, student support team meetings, TEAMS.etc.</p>	3.2	<p>District Support Provided by Coordinator of Accountability and Testing</p>	<p>100% of parents will receive individual student achievement data at least once per nine weeks</p> <p>TTESS Dimension 2.3 Communication</p>				
<p>5) Professional Development: The district will provide a tiered professional development plan that differentiates learning opportunities and career development. The tiered system will provide streamlined training for new to profession teachers, new to district teachers, returning staff as well as, opportunities for new found knowledge for veteran teachers. The district provides embedded professional development to all teachers with the support of a campus instructional coach.</p>	2.4	<p>District Support Provided by the Coordinator of Professional Development and Special Projects</p>	<p>The Eduphoria online catalog of workshops offered will list one or more professional development opportunities for teachers and/or administrators to deepen their knowledge in the district focused initiatives. 100% of our professional development offerings will be aligned to T-TESS and District goals/focus initiatives.</p> <p>TTESS Dimension 4.3 Professional Development</p>				
<p>6) Professional Learning Communities: The district will have teachers meet regularly through professional learning communities (PLCs) to articulate learning goals based upon the curriculum, analyze student data, evaluate student work, and plan engaging instruction. Questions used to guide PLC's will include: What curriculum we expect students to learn? How will we know if they learned the material to the expectations of their grade level? How will we intervene and differentiate the curriculum or the learning experience when they have not learned the grade-level curriculum? How will we enrich and differentiate the curriculum and/or the learning experience when they already mastered the grade-level expectations?</p>	2.5	<p>District Support Provided by the Coordinator of Professional Development and Special Projects</p>	<p>Campus master schedules will reflect PLC time in all core content teachers as well as non-core special areas/electives. PLC meeting notes will indicate that teachers are engaging in discussion of the four questions as well as using protocols to look at student work. 100% of the PLC meeting notes will be housed electronically in a common/shared location (campus discretion) .</p> <p>TTESS Dimension 4.3 Professional Development</p>				

7) Attract/Retain high quality staff: The district will utilize the Texas Equity Plan, the needs assessment survey data of students, and the consideration of teacher expertise prior to employment placement (grade level change/campus change). The district will utilize staffing meetings to review student/teacher ratios and special program placements. The district will attract and retain highly qualified teachers who are aligned to the district vision. The district will inform campuses and staff of the campus/district/programs that impact their role	2.4	District Support Provided by the Director of Human Resources	The district will maintain a teacher retention rate equal to the level of other region 13 districts and at least 1% higher than the retention rate for the state.
