

## Permission to Be a Passenger in a Privately Owned Vehicle to Practicum Training Site

My dependent \_\_\_\_\_ has my permission to be a passenger in a privately-owned vehicle (POV) to reach his/her Practicum Training Site. I understand that bus transportation will not be arranged for the student by the school and that this permission entitles no special parking privileges. The POV must be registered with the high school administration. I fully understand and release responsibility to anyone helping to provide transportation for my child. I understand that I assume full and complete responsibility for any injury or accident that may occur to my student in their travel to and from the Practicum Training Site.

I hereby release and waive all claims that I or my student may have against the Hays CISD, its board of trustees, employees, students, agents and representatives, and all persons participating with the Practicum Training Site in whole or part, from my student's traveling to and from the events attended by the class, or from my student's participation in the activities of the school sponsored event. The release and waiver shall be binding on my heirs, legatees, administrators, and assigns.
